1. This is Theodore Cottingham. September 12, 2008 about 7:50am in the morning as I drive down Lewis Avenue in the gold van.

2. I love you, I give you me and all that I do now, is forsaken not, but foreseen; not by everyone, but all of me is coming into me. Plural and not so, not; for all shall be one. One shall be - ME, me and me alone with all my family: home.

3. I love you and give you me I do. Door ajar, not; all doors sealed, not; but all doors shall be open to my me now who gives me incredible glory and grace through all the channels that a notme has used.

4. Forever not; forever is me now. Me and me one. I am one.
5. Always and forevermore.
6. Alleluia and amen.

7. I love you. I love you. I love you.

8. Christopher Marci I love you. I love you. On you birthday Marci, I love you, give you me I do, whole heartedly I do, with all I am. I love you.

9. And died I did to bring you these words, and now shall I go to the nations? Yes. I am there among you preaching the gospel of peace, shed abroad in your hearts shall be all I am. I shall be everywhere, and all that I am, shall be one. I love you and give you me, I do. Forever.

10. And oneship in my hands, head, heart, one; feet legs of one body seen now, before thee. All-troops of me coming into glorified unity of one, possessing the most high, being it, me, one who has died a million times, not; but one, everlastingly, everlasting life, mine - now mine is.

11. I stand before you, gleeful, begging not allowed, but only love, portraying love, being love, being loved. Amen.

12. My family home again. With me, in my arms. And I just one. Big happy family. Review. Recite. And love me more.

13. Amen.

14. I give you this day, I give you me.

Amen

7:57am.
